

# ANDREAS SCHELLEKENS

## About me

I am an Applied Computer Science student with a strong interest in technology and software development. My language skills in Dutch, English and German allow me to communicate effectively in international environments. I aim for a position where I can combine my technical and communication skills.

- French

## Education

**Thomas More university of applied sciences**  
Professional bachelor's degree in applied computer science  
2024-present

**Sint-Claracollege**  
Economics and modern languages  
2018-2024

## Student Jobs

**Beneparts-Remco**  
Turnhout - Belgium  
School Holidays 2021 - 2026

Started as a warehouse worker and did this for the first two years. After getting my driver's license, I was able to advance to driver, delivering parts to customers.

**Colruyt group**  
Weelde - Ravels - Belgium  
School Holidays 2023

Worked as a stocker, and cashier, lots of interaction with customers.
